

Town of Wales
Capital Project Request Form

1 Name of Department:

Wales Fire Department

Date Prepared:

7/31/12

2 Department Contact:

Jody Bennett

3 Title of Project (or Expense):

Tanker - ~~\$250,000.00~~

4 Anticipated fiscal year(s) of project (or Expense):

\$250,000.00

5 Description & Location:

Replacement of our 80's model Tanker that is actually a milk truck - 2200 gallon single axle

6 Intent & Purpose:

Water shuttle from lakes and streams to fires

7 Useful Life:

10 years? or more

8 Impact if Recommended or Not Recommended:

Will be replacing a vehicle that doesn't meet NFPA STANDARDS - NO baffles in tank - manual shift

9 Provide an Estimated Cost:

\$250,000.00

10 Available Sources of Funding (Grants, Public Money, Bonding, Funds subject to Town Meeting approval):

Currently applied for AFG grant - can supply copy -

11 Cost to Maintain:

Regular maint not exceeding \$500.00 a year of regular use

12 What are the benefits, what are the savings?

We have constant brake issues with current tanker, no baffles in tank makes the truck unstable, ~~hard~~ Hard to drive standard - limits who can drive it
